Shipping & Returns

Our shipping and returns policy reflects how we would want to be treated ourselves: clear timing, careful handling, honest cost disclosure, and generous room to change your mind. Everything below is written in plain English. If anything is unclear, write to us.

Shipping

Order Processing

Every Onpath Studio piece is made to order. Production begins once your order is confirmed.

Please allow **2–4 weeks** for production, quality inspection, and shipment preparation from the date your order is placed. Each piece is individually inspected before it leaves us. As the brand grows, processing times may be adjusted by collection; the current window will always be shown on the product page.

Shipping Rates

We ship worldwide.

- **Free standard shipping** on all orders over **USD $500**
- **Free express shipping** on all orders over **USD $1,000**
- Orders under $500: shipping rates are calculated at checkout based on destination and weight

All orders ship tracked and insured. A confirmation email with tracking information is sent when your order leaves us.

Delivery Estimates

Once shipped, typical delivery times are:

Destination	Standard	Express
United States	3–5 business days	1–2 business days
European Union & United Kingdom	4–7 business days	2–3 business days
Rest of world	5–10 business days	3–5 business days

These are carrier estimates and exclude delays caused by customs clearance, weather, or circumstances outside our or the carrier's control.

International Orders — Duties and Taxes

> **Important:** International orders may be subject to customs duties, import taxes, and handling fees imposed by the destination country. These charges are **the responsibility of the customer** and are collected by the carrier on delivery — they are not included in the price shown at checkout.

Duty and tax rates vary by country and product category.

We ship all international orders with accurate customs documentation. We do not undervalue shipments or mark orders as gifts.

Address Accuracy

Please check your shipping address carefully before placing your order. We are not responsible for orders delivered to an incorrect address entered at checkout. If a package is returned to us due to an address error, we will contact you to arrange reshipment at your cost.

If you need to change a shipping address after placing your order, email us at support@onpath.studio as soon as possible. Address changes can only be made before the order ships.

Risk of Loss

Title and risk of loss pass to the customer upon delivery of the package. If a package is lost, damaged, or stolen in transit, please see *Lost or Stolen Packages* and *Damaged, Defective, or Incorrect Items* below. We assist with carrier claims and offer replacements or refunds in these cases.

Order Tracking

Once your order ships, you will receive a confirmation email with tracking information. Orders can be tracked via the carrier's website or through your Onpath Studio account.

Returns

Return Window

We accept returns within **30 days of delivery** for all eligible items across Essence, Opposite Day, and Art of Life.

For customers in the European Union: our 30-day policy meets and exceeds the 14-day statutory right of withdrawal provided under Directive 2011/83/EU. You retain all rights under that directive.

Eligibility

Returned items must be:

- **Unworn, unwashed, and unused**
- Returned with **all original tags attached and intact**
- Accompanied by **all original packaging and accessories** — dust bag, garment bag, cards, and anything else included in the box
- Free of any signs of wear, alteration, staining, or odor (including perfume and smoke)

Items returned in a condition inconsistent with the above may be refused or returned to you, and we reserve the right to apply a reduction to the refund reflecting diminished value.

How to Initiate a Return

Return shipping is **complimentary** for all eligible returns within the 30-day window.

1. **Request authorization.** Email support@onpath.studio with your order number, the item(s) you wish to return, and a brief reason. The feedback shapes our next collections.

2. **Receive your label.** We send a Return Authorization and a prepaid return shipping label within **1–2 business days**.
3. **Pack and ship.** Return the item in its original packaging with all tags and accessories included.

Please do not ship items back without a Return Authorization — unauthorized returns may not be accepted.

Inspection

All returns are inspected on receipt by our quality team. Inspection covers the condition of the garment, the presence and integrity of tags, packaging, and accessories, and the overall completeness of the return.

Approved returns are processed within **5 business days** of receipt.

Refunds

- Refunds are issued to the **original payment method**
- Processing takes **5–7 business days** after inspection is approved; your bank or card issuer may require additional time to post funds
- **Original shipping fees are non-refundable** except where the return is due to our error
- If your original order qualified for free shipping, that benefit is not retroactively removed if a partial return brings the remaining order below the threshold

Exchanges

We want you to love what you wear.

Window and eligibility. Exchanges follow the same 30-day window and eligibility requirements as returns. Items must be unworn, unwashed, and returned with all original tags and packaging.

What can be exchanged. The same item in a different size, or the same item in a different color, subject to availability.

Complimentary both ways. We provide a prepaid return label and ship the replacement with complimentary delivery.

How to initiate.

1. Email support@onpath.studio with your order number, the item you'd like to exchange, and your preferred replacement (size, color, or both).
2. We confirm availability and send an Exchange Authorization with a prepaid return label within 1–2 business days.
3. Ship the original item back. Once received and inspected (within 5 business days), the replacement ships within 2–3 business days.

If your preferred replacement is unavailable, we will notify you and offer a full refund or store credit.

Order Changes and Cancellation

Because every piece is made to order, changes and cancellations depend on whether production has begun.

- **Within 48 hours of placing your order:** you may cancel, or change the size or color, subject to availability. Email support@onpath.studio with your order number. Cancellations are refunded in full within 10 business days.
- **After 48 hours:** production planning will have begun and changes or cancellations are no longer available as of right. Contact us and we will review your request in good faith.
- **If we cause a significant delay** beyond the 2–4 week window, we will notify you with a revised ship date and the option to wait or cancel for a full refund.

Damaged, Defective, or Incorrect Items

Quality is central to what we do, and a piece that arrives compromised is our failure, not yours.

- If your item arrives **damaged or defective**, contact support@onpath.studio immediately with photographs.
- Defective item claims receive priority review.
- When confirmed, we will offer a **replacement or full refund** — whichever you prefer.

If you receive an **incorrect item**, we will ship the correct piece immediately at our cost and provide a prepaid return label for the original.

Minor variations characteristic of hand-finished production — slight differences in the placement of embroidery, subtle variations in natural materials like horn or wool — are not defects.

Lost or Stolen Packages

If your tracking shows your package as delivered, but you have not received it:

1. Check with neighbors, household members, and the front desk of your building.
2. Wait 24 hours — packages are sometimes marked delivered before they actually arrive.
3. If the package has not appeared, report it to support@onpath.studio within **5 days** of the expected delivery date.

We file a carrier claim on your behalf and, during review, offer a replacement or refund. Onpath absorbs the cost in these cases — customers are never penalized for carrier error.

Gift Orders

If you received an Onpath piece as a gift and wish to return or exchange it, contact support@onpath.studio within the 30-day window with the gift order number or gift receipt. Returns are refunded to the original purchaser in the original method of payment. Exchanges follow the standard process above.

If you are purchasing a gift and wish to have the order shipped directly to the recipient with a discreet, price-free packing slip, note this at checkout or email us before placing the order.

Special Circumstances

Our standard 30-day window is firm, but we review exceptional situations with care — illness, emergencies, shipping disruptions, and other circumstances beyond your control. In these cases, store credit may be offered at our discretion.

Write to us. We'd rather hear from you than not.
